

How to change Imagicle Suite web portal session timeout interval

Applies to:

Imagicle ApplicationSuite, any version.

Windows Server 2012 and above

Description:

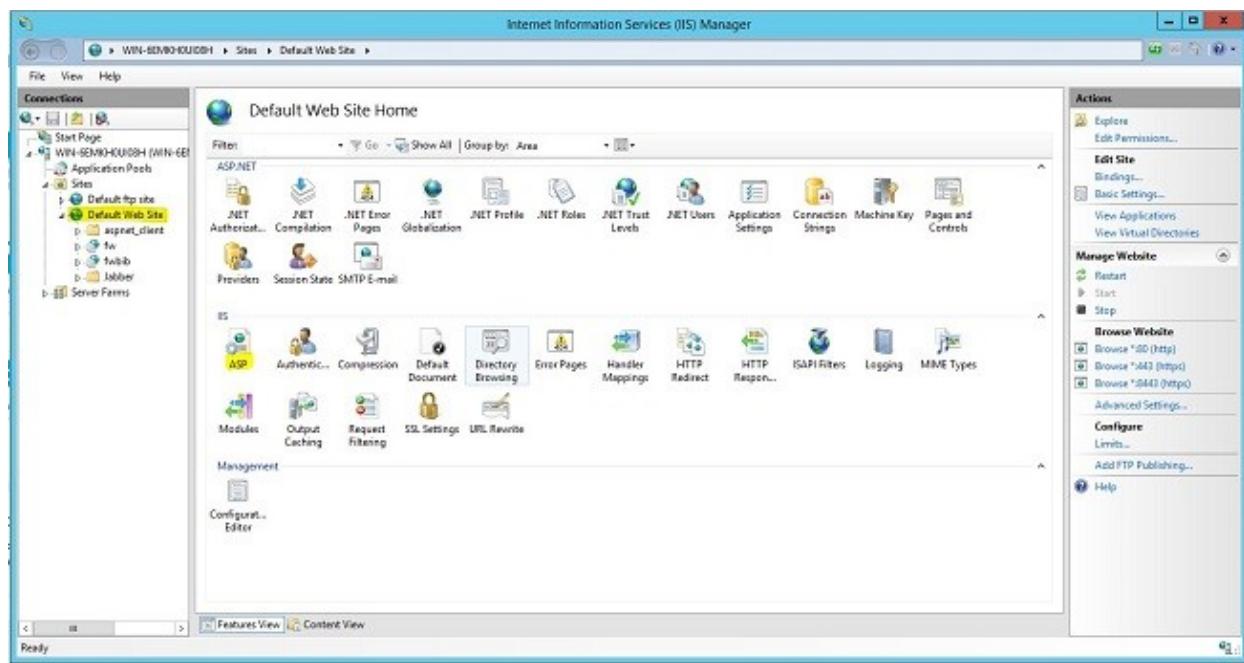

This Solution allows to change Imagicle web portal session timeout from default 4 hours to any other value.

How-to:

1. Please access to Imagicle Server OS using RDP and search for "IIS" from Start menu.

2. Launch IIS
3. Go to Default Web Site → ASP

4. Go to Session Properties → Enable session state
