Using Contacts Mobile App

Take your directories everywhere.

How many times have you been away from your office or desk, and can't access a customer or supplier's phone number? With Imagicle Contacts, Imagicle Speedy Enterprise's free mobile client solution, problem solved.

Using Fax Mobile App

A fax machine in your pocket.

Imagicle Fax is the free StoneFax mobile client solution designed for iPhone-iPad and Android devices, that lets you send and receive faxes from your device anywhere, any time faster, smarter and easier.

Using Supervisor Mobile App

Always under control.

Imagicle Supervisor is the free mobile client solution of Queue Manager Enterprise and together they can take your Customer Service to the next level.
